Vera,

The approximate cost would be \$1,400 plus lodging for our driver. This is an estimate and is a worst-case scenario based on your school's rate. Let me know if you have any questions.

Oh my goodness. We have miscommunicated and I am on a timeline. I needed you to give me an estimate of the cost of a REGULAR BUS. I knew the charters go through Southwestern. The reason I could not calculate the estimated cost was because I don't know how you pay bus drivers when they stay the night.
