- ★ **Make your child's doctor, dentist, and optometrist appointments now.** *It is disruptive for our classes to have students leave during the first few weeks of school and to begin attending classes later than the other students. Your child will miss out on learning important rules, routines, and learning.*
- ★ **If your child need to ride the bus try to find out who your child's bus driver by checking around your neighborhood.** *This information will be beneficial to both you and your child. It will help your child prepare as well as relieve anxiety on the first week riding the bus.*
- ★ **Please work on helping your child recognize their printed name during the summer as well as the Kindergarten Readiness skills in the Kindergarten packet.**
